

TRANSPORTATION COORDINATORS INC

Your Logistics Provider for Domestic and International Transportation
Service Disabled Veteran Owned Small Business

Company Overview:

Founded in 1983, Transportation Coordinators, Inc. is a non asset based provider of logistics/transportation services. We work both domestically and internationally to manage relationships with transportation partners so our customers can concentrate on their core business. We have the technology, experience and expertise to solve logistics challenges and move products from origin to destination, anywhere in the world. Our company provides services to move products that have included heavy haul permitted loads, plastics, plastic bottles, metal, metal cans, major truck and car components, non-hazardous paint, and various food products. We have also been consultants on how to reduce overall transportation spending cost and advisors on setting up international shipping. Transportation Coordinators, Inc. has represented corporations in front of the former Interstate Commerce Commission.

Key Personnel:

Gary Levi, President, graduated from the University of Cincinnati with an Associate's Degree in Management and a Bachelor's Degree in Transportation and Distribution Management. Mr. Levi has over 30 years in the transportation industry. He worked for a major toy manufacturer and driver leasing company while in college. In 1983 he opened Transportation Coordinators, Inc. and then L.A. Levi Transport Inc. in 1987, a just-in-time short haul contract carrier until 1997. In addition to Transportation Coordinators, Inc., Mr. Levi has worked with outside companies from 1997 to 2002 as their Corporate Traffic Manager.
